

## *It's important to be the best you.*

You are ready to get a special services surgery to improve your quality of life, but don't have the upfront money or insurance support to do so. First Interstate's financing options through Oregon Plastic Surgeons can assist you in funding these procedures to help you reach your health goals.\*

### **Benefits**

- Receive a financing decision within two business days\*\*
- Local client support for your loan
- Fixed-rate loan allows you to make the same monthly payment for the life of the loan, which could reduce the risk of defaulting on medical bills

### **How does it work?**

- **Step 1:** Apply for financing with First Interstate Bank
  - ◇ On-site at Oregon Plastic Surgeons
  - ◇ Work directly with a small, specialized team of First Interstate lenders in Oregon
- **Step 2:** If approved, sign loan documents to receive funding
- **Step 3:** Funds made available through either check or direct deposit
- **Step 4:** Oregon Plastic Surgeons bills you for your procedure
- **Step 5:** Pay for procedure using loan funds
- **Step 6:** Receive procedure

### **Products and Terms**

- Flexible loan terms
- Rate determined by loan term and credit score
- Minimum FICO credit score of 680 needed
- Monthly payment covers principal and interest
- No pre-payment penalty
