

Here's to the you you're meant to be.

Special services surgery can work wonders. But it requires money upfront or insurance support that some of us don't have. We're here to help—partnering with Oregon Plastic Surgeons to bring you the financing you need to make it happen.¹

Benefits

- A financing decision within two business days²
- Local, Salem-based client support for your loan
- Fixed-rate loan means the same monthly payment, reducing the risk of defaulting

How does it work?

1. Apply for financing—at firstinterstate.com or contact your local branch
2. Sign documents to receive funding (upon approval)
3. Funds available through check or direct deposit
4. Oregon Plastic Surgeons bills you for your procedure
5. Pay for procedure using loan funds
6. Receive procedure

Products and Terms

- Flexible loan terms
- Rate determined by loan term and credit score
- Monthly payment covers principal and interest
- No pre-payment penalty

¹ Loans are subject to approval. This is not an offer of credit or commitment to lend.

² Decision made within two business days; loan will not close until all application material has been received and processed.
